Built for **general contractors, remodelers and construction-focused artisan contractors**, with a broad appetite across 60+ class codes. Our 100% digital platform makes it easy to quote and bind non-admitted Contractors General Liability coverage.

- $0 deductible
- Up to $15,000 in premium
- A++ AM Best rated carrier

WHY SLICE

Built to keep contractor business moving.

Broad appetite, including consideration for contractors with gaps in coverage or some prior claims, subject to underwriting eligibility.

01 $1M Excess Casualty policy available instantly as a 1-click add-on
Add extra protection directly within the quote.

02 New businesses accepted
Eligible start-ups and contractors with less than one year in business can be considered.

03 Completed ops option
Blanket Additional Insured coverage, including Completed Operations, is available.

04 Per Project Aggregate
The policy's aggregate limit can apply separately to each eligible project.

05 Inland Marine available
Tools and equipment are essential to contractors. Inland Marine coverage can be added during quoting.

06 No ACORD, supplemental application or loss runs required
Enter the required risk information directly in the online quote.

ONE CONNECTED DIGITAL FLOW

Enter the risk
Start the quote online.

Shape the coverage
Select available enhancements.

Quote and bind
Finish without leaving the flow.
